

A vibrant fountain with multiple water jets and a flower bed in the foreground. The fountain is the central focus, with several streams of water spraying upwards and outwards. The water is bright and sparkling. In the foreground, there is a flower bed with various flowers, including purple and yellow tulips. The background is slightly blurred, showing a city street with people walking. The overall scene is bright and colorful.

An aerial, top-down view of a city square. The square is paved and features a central fountain with a tall, thin spire. A curved path or walkway runs through the square, bordered by a decorative stone or brick pattern. There are several trees planted in the square, some in individual planters. People are walking around the square, and a few green buses are visible. The square is surrounded by various buildings, including a large modern building on the left and older, multi-story buildings on the right. The sky is clear and bright.
